#### **ABOUT AASTHA FOUNDATION AURANGABAD**

#### **Background and the Need**

Life after the age of 60 is often referred to as the "Golden Period," a time when senior citizens aspire to live with dignity, safety, and care. However, the changing social and family structures in India have led to significant challenges for the elderly population.

#### **Demographic Trends:**

India's elderly population is expected to reach 347 million by 2050, reflecting a significant demographic shift. The increase in longevity, coupled with a decline in fertility rates, has resulted in a growing proportion of older individuals in the population. Health issues and lack of comprehensive social safety increases their vulnerability. Community living for the senior citizens found to be the best solution which will greatly reduce the problem of their dependency and isolation. As a result "Aastha Foundation Aurangabad" NGO was established and registered under societies and trust act in 2008.

One of the trustees, Shri Sunil Agrawal in the memory of his father, gifted 3 acre land to Aastha Foundation. Out of planned 25000 sq.ft, 14700 sq.ft construction is completed in first phase and full fledged functioning started from 22/01/2023. The salient features of this project are:

Most important in my Daily routine is toilet & bath early in the morning. This is available in Basant Prabhaa Visawa, as care giver's service is easily accessible in the early morning. Immediately I get tea there after and the day starts with satisfaction. Note the whole day I feel relaxed after getting breakfast, high tea on time. This routine is not changed in the whole year.
